### Chapter 1 by Lex

A day celebrated by people all over the place. Who doesn't wanna believe that when you die you are sent to a beautiful, colorful land full of all of your remembered family members and friends. The land of the Remembered is a beautiful place and no one wants to ruin that.

Except for HIM. HE hates the land of the Remembered and wishes that everyone in the land of the Remembered would just be forgotten. HE was neither remembered nor forgotten because only occasionally did someone remember HIM, and when they do remember HIM he doesn't even get to go to the land of the Remembered because more people need to remember you in order for you to sit in the land of the remembered. Since he was the only one stuck in this land, halfway between remembered and forgotten, he vowed vengeance. HE sought to destroy not only those he USED TO love for NOT remembering him, but as well as the rulers of the Lands of Forgotten, and Remembered.
